Notes from 10am call:

- No major issues; vehicles/protestors continue to arrive – from down East, Arnprior, Port Hope, Lachute, Kirkland Lake, Hawksbury etc.
- Event starts at 11:30am; POUs staged; Intel is good; No issues at border; By-law assisting;
- Chief would like all briefing notes to include current number of vehicles and protestors in core;
- Red lines – 1) emergency routes cannot be blocked; 2) Cenotaph cannot be desecrated – no tolerance;
- Next two hours crucial to set tone – no food trucks, tents, camping. Prevent 'tent city'; Supt. Rheaume to add to plan; Wellington area needs to be held;
- Ensure ESU stationed close by for quick deployment;
- ESU members to be sent out with soft hat messaging to protestors but firm action;
- Ensure tow trucks are available quickly for violations, ie blocking or cenotaph; give no time for media or Mayor to be notified;
- Comms messaging – sharper messaging - follow police instructions, no parking at cenotaph or other areas critical to public safety, towing if necessary, resources in place, increased police presence,
- Ensure A/Insp Mbakulo is included in updates – he will update Councillors as needed;
- Dave White notified injunction may be sought if needed; will determine who will issue;
- Consider criticisms of police at other events – warming areas, wellness checks;
- Supt. Rheaume to let Chief know when NCRCC briefings are;
- Tracking log being handled by Alyson Yaraskovitch; Consider Mike Anderson to write report
- Next briefing to be at 4pm
